Notices

From the Mayor:

The community Club is seeking new members. The club handles the annual

Homecoming, volley ball tournament in the park, and helps provide for citizens in need. They also provide volunteer assistance in maintaining the Baltic Community Park.

Also, with the help of Community Club volunteers, and donations from local businesses, we are renovating the public restrooms in the park. They will be larger and more accessible now.

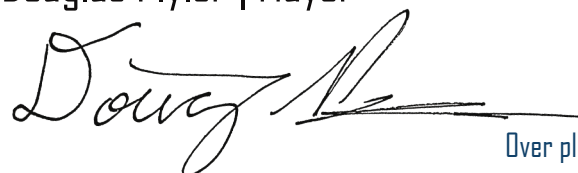

We are very grateful for the help of all of our community volunteers and programs like the Community Club, Historical Society, and Shade Tree Commission.

From the Fire Department:

We recently sold our old engine 903 and purchased a new tanker/pumper combination truck. It should be in service very soon.

Thanks to everyone who participated in the recent pizza fundraiser! These funds help the Firefighters non-profit to be able to supplement village funds and attain this kind of equipment.

Douglas Plyler | Mayor
